**If there's trouble,
we'll find it.**

We hunt for red flags in high-value international finance by monitoring offshore and onshore courts, regulatory actions, offering materials, and other sources.

I have recieved notifications that my name is mentioned in an article from 2013 from alex Martin , in Spain . My name is sunita ría boodhoo all allegations were dropped there was no conviction an I received compensation an if you don't remove my name and this article I will have no problem sending my lawyers to take it down ,
Many thanks
