Dear David

I know we have spoken sometime ago for you to remove articles posted on the websites about myself, which you kindly assisted and removed. I would be grateful if you could remove the below links as well. Its content is inaccurate, defamatory. I was never wanted or ever requested to surrender myself to authorities nor was a warrant ever issued nor was I ever a fugitive.

I have attached the dismissing order by the US Court and a police record on myself. You will see that I have no record held on the Police National Record against my name.
